4. Update of Building Permits:

The building permits have not changed since the last meeting. Nando Meli stated that his garage has not had a final inspection. The building permit folder got filed when the previous Town Clerk was here. Diana Marks will check on the status with Sunrise Engineering.

5. Progress of the Commission members on various committee assignments:

Joe Johnston has been working on the Annexation General Plan. He will have a draft by the August meeting.

Vicki Nash had questions about where to get some of the statistics for the General Plan Study. Various members said that there is the census count, tax, and voting records. Also, the Town could provide her with the number of households using our utilities.

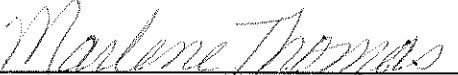

Vicki also asked if the Town has an ordinance on windmills. The Planning Committee will review creating an ordinance after the codification books come back.

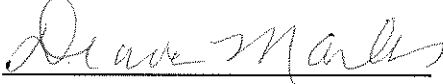

Robyn Robbins is working on the Building Permits and using some of the information Diana Marks provided her. Robyn was requested to have a draft for Board members to review for July's Planning Commission Meeting.

6. Miscellaneous Business Items: No business to discuss
