Patty Wheeler- I am a property owner south of the Town of Stockton on SR36, and west of the SEP property. My property is included in the Possible Future Expansion Area #1 325 Acres, included in the Proposed Annexation Policy. At this time I would like to make it known to the P&Z Council that I am NOT interested in having my property annexed. In fact, I am adamantly against it. I have been in contact with Gary Hunter, Chair. He told me that in the last meeting the council decided that they wouldn't annex any property where the property owners were not in agreement. However, in the Proposed Future Expansion Area #1 my property is still included. If it is the intention of the P&Z Council to not annex and property where the property owners are not in agreement, then I would like that comment made again in the January meeting and made part of the minutes.
