P.O. Box 240
Stockton, UT 84071

July 21, 2016

Dear Resident

The Town of Stockton is currently experiencing a high fire danger this year. We will be inspecting all lots in this town and need your weeds chopped down for safety. Please help us in keeping our town safe.

Ordinance 98-2

“Weeds upon real property cannot be in excess of ten inches in height, within 20’ of any structure, and they cannot exist between the sidewalk and the curb line of any street fronting such property, or to the pavement, or street edge if there is no sidewalk.

A Copy of ordinance 98-2 is available at the town office for your review if needed.

Thank You,

Mark Whitney
Mayor
Town of Stockton
