6. Department Reports

a. Stockton Police Department-Chief Romney-See attached

Last month we had- 43 Traffic stops, 34 cases, 3 County cases, and 7 call outs. There were no use of force incidents.

Major crimes: 1. On January 22, 2019 while running the radar on Connor Ave, Chief Romney observed a passenger vehicle going 84 in a 40 MPH zone. Chief Romney was on the North side of Town. The vehicle proceeded at that high rate of speed through the entire Town without slowing down. As Chief Romney turned to pull the vehicle over, he watched as the vehicle weaved into oncoming traffic, then cut off a school bus full of children. Chief Romney had to go 125 MPH to catch the vehicle which stopped in front of the Army Depot. The driver was arrested for reckless driving and his vehicle was impounded. He said he was late for Court. 2. Had a 23 year old male go into the gas station's bathroom and use methamphetamine. He is a resident of the Town of Stockton, who had been doing this over the last several weeks. Due to some watchful store clerks, we were able to catch him in the act. He was arrested and trespassed from the gas station.

Nuisances: 1. People parking on the road, hindering plowing and causing traffic issues.

Community events: 1. Special thanks to Samuel Memmott, as an Eagle Scout Project helped us finish cleaning out and organizing the downstairs and making some much needed repairs and modifications.

b. Stockton Fire Department-Chief Huffman/Assistant Chief Thatcher

Chief Huffman- Last month we had 15 calls, 4 fires, 2 rescues, and 9 medicals. 5-6 of those calls were in Town. There were 2 structure fires in Rush Valley this last month. We were able to go to Winter Fire School in St. George in January. The Fire Department is preparing for Reginal Fire School at the Army Depot in April, it will be really beneficial. Amy Lyman enrolled in her EMP Course, she's moving right along at a quick pace and we appreciate her. Last month Assistant Chief Thatcher asked for money for the pump system on our tender. We don't have a lot left, mostly plumbing left.
