7. Mayor's Report:

Mayor Karjola has been looking through our codes and has found that we do not have a road cutting permit in our Ordinances, what we should have is an Ordinance stating that you have to be certified by the State to be able to work on roads. We also don't have anything in our Ordinances showing

procedures on giving out a Certificate of Occupancy. An amendment updating the Public Improvements and Performance Guarantee went to Planning and Zoning and the Board Members decided to table it until April to have more time to review the Ordinance. Today is day 45 of the 45 day Legislative Session; Mayor Karjola has been down to the Capital twice and was honored to be able sit on the house floor during the debate. Mayor Karjola also met Marlin Nelson, who represents us. He represents most of Tooele County.

8. Town Council Report:

Councilwoman Bori- Thanks to Mayor Karjola for all the hard work he does for us and the Town.

Councilwoman Nash- Thanks to Mayor Karjola for all of his hard work he's been doing.

9. Planning Commission Report

Joe Johnston- As Mayor Karjola mentioned, the Planning Commission Members have reviewed the Ordinances and decided to table the Public Improvements and Performance Guarantee Ordinance.
