12. Memorandum of Understanding with Area 52 regarding temporary custody of impounded dogs

The Police Department has been talking with Area 52 about taking lost dogs to their building until the owner is found instead of taking them to the Tooele Vet Clinic. Area 52 would not require any fee and would only ask that the Town purchase a dog kennel for the animals. The Tooele Vet Clinic only holds the animal for 7 days and then puts the animal down with a fee of \$150.00 every time the Police bring an animal to them. With making a contract and MOU with Area 52 we would be saving money and saving animals from being put down.

Council had a discussion on the MOU with Area 52 and has passed it with a few changes.
